Data source ideas for Councils

Where to start?

- [U.S. Census Bureau](#) – American Fact Finder. There is a wealth of information on this page related to population and language. Use the steps below to access a full list.

(1) Enter your State, County, City Town or Zip Code into the Community Facts search box
(click GO)

(2) Under Origins and Language click on any of the options, such as Language Spoken at Home or Characteristics of People by Language Spoken at Home etc. You will see American Community Survey data from 2016.

For other reliable sources of data at the state level, refer to School Districts, Early Intervention programs, vocational/employment programs, other State/Territory sources.
